NataClear™ Panels - Clearly the best addition for your pool or spa designs.

Clear Acrylic Panels for Pools and Spas

Whether new construction or a renovation project, a NataClear™ acrylic glass panel will bring a contemporary style and luxury look to your pool or spa. Add a striking infinity edge with water flowing over the panel or an underwater window for a unique view. Elevate your pool or spa to a new level of elegance and sophistication.

Natare designs and manufactures custom acrylic panels for projects large and small. And we can even help with the installation!

Find out how NataClear™ acrylic panels can enhance the look of your pool or spa project.

Whether an elevated pool, underwater viewing window, or infinity edge spa, an acrylic panel adds an appealing visual element to your aquatic experience. With our technical expertise and experienced team, we can help bring your idea to life.
